UAFS School of Nursing Pledge

“I solemnly pledge myself before God and in the presence of this assembly to faithfully practice my profession of nursing. I will do all in my power to make and maintain the highest standards and practices of my profession.

I will hold in confidence all personal matters committed to my keeping in the practice of my calling. In collaboration with healthcare providers, I devote myself to the welfare of my patients and my community.

I will constantly endeavor to increase my knowledge and skills in nursing and to use them wisely. I will actively seek to care for those who are ill wherever they may be and whenever they are in need.

I will be active in assisting others in safe-guarding and promoting the health and happiness of mankind.”
